

The ZIWA Board and members who organise events for our Association work hard to make decisions on your behalf and to provide events which appeal to the membership. They are always open to suggestions, queries, constructive criticism, and helpful comments and of course praise, on any aspect of the Association.

Here's your chance to make your voice heard. Please write your comments below, remembering to sign and date the form, before posting it in the "Comments" box placed at the Information Desk.
